

## 2027 RACE DIRECTORS

### EVENT SANCTIONING & INSURANCE

#### Insurance Disclaimer

Athletics Ontario (AO) is a Provincial Sport Organization holding an insurance policy that covers AO along with its members, sanctioned events, and affiliated organizations. It is important to note that AO is not an insurance broker and do not draft custom policies. However, organizations and participants are covered under the comprehensive insurance policy, provided all sanctioning and membership conditions are met. Third-party vendors, independent contractors, and external medical staff generally require their own primary General Liability insurance and should provide a Certificate of Insurance (COI) naming Athletics Ontario and your organization/event as additional insured. We recommend requesting to be directed to our insurance broker for complex coverage scenarios and questions. An updated copy of the current AO insurance policies can be found [here](#)

#### STEP 1: Complete a [2027 Sanction Application](#)

- AO 2027 Sanctioned races must abide by the [AO Sanction Criteria](#) (updated August 2026)
- [AO Sanction and Safety Checklist](#)
- The cost for each Sanction Application is \$25.00 +HST (this replaces the 2026 Race Organization Membership which is no longer in place for 2027 and beyond)
- All 2027 AO Sanctioned events and their participants are covered under the AO Insurance Policy so long as participants are either AO members or pay the required \$5.00 day of event license fee for non-members.
- You will automatically receive a 2027 AO Sanction Logo once your application has been reviewed and approved
- AO Sanction Logos must be placed on your race registration page and/or website and are only good for the year of the application
- All Sanctioned races must provide a [Participant Feedback Survey](#) to all participants

#### STEP 2: Certificate of Insurance (COI) Request

- Please only fill out one [COI request](#) per event, unless multiple events happen at the exact venue and course.
- A Sanction A [Sanction Application](#) must be submitted and approved prior to approving [Insurance Certificate](#) requests.

- Amendments to your insurance applications are time sensitive. Please complete all applications above as early as possible, and sent to [shehara@athleticsontario.ca](mailto:shehara@athleticsontario.ca)

## STEP 3: Post Race Submissions
